

## Suggested Summer Educational Growth Opportunities for Grades 3-4

<b>Math</b>
Practice math facts: Fluently master all addition & subtraction within 20 and multiplication and division within 100.
Practice math skills using Happy Numbers. Login card sent home on last day or inside school binder!!
Bake or cook: This is great fraction and measurement practice.
Count up and down from various numbers. Start at 0, 50, 29, 193, and other random starting points.
<b>Reading</b>
Read every day! Read inside, outside, and in the car. Read aloud to a stuffy, pet, sibling, or parent.
Join the summer reading program at the library. FREE and lots of great prizes!!
Complete your summer popsicle reading log!!
<b>Writing</b>
Keep a summer journal.
Write a story or script.
Complete some of these pages in this <a href="#">word work packet</a> .
<b>Science and Social Studies</b>
Plant a garden and take care of it. Observe it closely.
Hunt for bugs and animals. Observe their habits (from a safe distance.)
<b>Bible</b>
Keep a prayer journal. Read your favorite Bible Storybook.
Make encouraging cards for neighbors, friends, or family.
<b>Life Skills</b>
Go outside every day. Move your body each day. Take charge of 1 or 2 household chores and complete them well. Take a swim class. Try something new! Have fun! Relax! Can't wait to see you next year!
Let me know if you need login info or if you'd like to share any of your work!
